Correctional Medicine Grand Rounds

07:30 PM - 08:30 PM EST

Grand Rounds will continue to be held on the second Wednesday of every month at 7:30PM Eastern time. This Grand Rounds session, as usual, will be one hour in duration and will include ample time for questions, discussion, and networking. At this time, all Grand Rounds sessions are free to all attendees.

We encourage you to attend, and to invite your friends and colleagues to attend this session, which will inform us on the management of cancer in the correctional setting, and concern itself with Dr Manz's research into this important topic. Our input is important!
